ABOUT THE COURT

The Ninth Circuit Court of Appeals is one of 12 regional federal courts. Circuit courts hear appeals from the district (trial) courts located within their circuit, as well as appeals from decisions of federal administrative agencies. Headquartered in San Francisco with courthouses in Pasadena, Seattle and Portland, the Court serves nine western states, Guam and the Mariana Islands. For more information about the federal court system, please visit: <http://www.uscourts.gov/> For more information about the Ninth Circuit Court of Appeals, please visit: <http://www.ca9.uscourts.gov> The San Francisco courthouse is conveniently located one block from the Civic Center BART/Muni station.

POSITION DESCRIPTION

This position provides technical and non-technical support for a web-based case filing and case management system (CM/ECF). The users of our services include both external users (typically attorneys and their staff who file cases electronically with the Court) and internal users (court staff who track and process cases as part of their job). The position requires a mix of technical and customer service skills, as well as the ability to understand and work within a highly-defined legal process. Prior experience with a web-based case management system preferred.

REPRESENTATIVE DUTIES

- Field incoming phone and email help requests from end users in a courteous manner.
- Prioritize and schedule help requests; escalate when necessary.
- Replicate, diagnose, troubleshoot and resolve problems.
- Identify and learn appropriate software and hardware used and supported by the organization. Keep up-to-date with changes in CM/ECF.
- Recommend changes to procedures to reduce repeat support issues.

- Assist in the maintenance of frequently asked questions lists.
- Perform edits and data fixes to correct mistakes.
- Perform other automation and CM/ECF-related duties as assigned.
