POSITION OVERVIEW

A successful candidate must have a pleasant and positive attitude and be able to work well in a small office environment with a diverse and frequently changing cadre of lawyers.

The assistant secretary will receive and assist visitors, answer phones and screen calls, transcribe machine dictation for the judge into final form, prepare correspondence and reports, help the Judge manage his involvement with various judicial committees and special events, and maintain office functionality (from getting the office heaters fixed to coordinating technical assistance with computer issues to ordering supplies).

The assistant secretary is also responsible for the administrative aspects of preparing the Judge for calendar, which includes organizing calendar materials, acquiring court records, shipping materials, preparing expense reports, making travel arrangements, filing, and maintaining the Judge's business bank account.

The legal responsibilities for this job will evolve depending on the assistant secretary's interests and abilities.
