Terminal complex:

The terminal complex measures 130 acres (52.6 hectares), or 5.6 million square feet. The complex includes the terminal building and concourses T, A, B, C, D and E – the international concourse. Within these concourses, there are a total of 199 gates comprised of 171 domestic and 28 international. The Airport is free of any architectural barriers to people with disabilities.

Airport People Mover:

The Airport's underground Automated People Mover connects all concourses with the terminal and consists of nine, four-car trains operating on a 3.5 mile loop track. Trains operate approximately every two minutes. On average, the trains carry more than 200,000 passengers per day.

Parking:

There are more than 30,000 public parking spaces at Hartsfield-Jackson, including 13,500 in covered parking decks, 7,500 in North and South Economy parking lots, 1,300 in the Park-Ride Reserve lot and 8,100 in the Airport's Park-Ride lots. Special parking spaces are also provided for disabled passengers in each lot.

Ground Transportation:

The Ground Transportation Center is located at the west end of the terminal and offers the following services:

1. Shuttle bus services offer door-to-door and on-demand pickup service from the Airport to the Atlanta metropolitan area and bordering states, departing every 15 minutes within the metropolitan area, and every 30 minutes for all other areas.
2. Taxi, limo and sedan services.
3. 13 rental car agencies located at the Rental Car Center, with free SkyTrain service to and from the Airport.
4. The Metropolitan Atlanta Rapid Transit Authority (MARTA) provides train service to the metro Atlanta area.
5. Area hotel and off-site parking shuttle buses.

Rental Car Center:

In December 2009, Hartsfield-Jackson opened a convenient, state-of-the-art, 67.5 acre facility that houses all rental car company operations and vehicles. The rental car center includes two four-story parking decks, more than 8,700 parking spaces and a 137,000 square foot customer service center. The rental car center features 13 rental car agencies - Advantage, Airport, Alamo, Avis, Budget, Dollar, Enterprise, E-Z, Hertz, iTravel, National, Thrifty and Payless Rent a Car companies.

ATL SkyTrain:

Connecting customers to the rental car center is a new elevated train, dubbed the ATL SkyTrain. In five minutes, passengers are connected to the rental car center, the Georgia International Convention Center, and hotels and office buildings. The train operates six two-car trains which can carry 100 passengers and their baggage.

MARTA:

The Metropolitan Atlanta Rapid Transit Authority (MARTA) provides train and bus service to the metro Atlanta area. MARTA's Airport Station connects to Hartsfield-Jackson at the west end of the terminal between Terminal North and South baggage claim areas.

Concessions:

There are 263 concession outlets throughout the Airport - 114 food and beverage locations, 90 retail and convenience outlets, three duty-free stores and 56 service outlets, including a banking center, a U.S. Postal service, Georgia Lottery outlets, a shoe shine, ATMs, vending machines and spas. Concessions space covers approximately 230,000 square feet.

Cargo:

There are three main air cargo complexes, North, Midfield and South, a Perishables Complex and a USDA Propagated Plant Inspection Station. The total on-airport air cargo warehouse space measures 29.8 acres or 1.3 million square feet. There are 28 parking positions for cargo aircraft, 19 at the north complex and 9 at the south complex

Employment:

Hartsfield-Jackson is the largest employer in the state of Georgia. There are over 58,000 airline, ground transportation, concessionaire, security, federal government, City of Atlanta and Airport tenant employees.

Economic Impact:

Hartsfield-Jackson has a direct economic impact of more than about \$32.5 billion for the metro Atlanta area economy.
