

## CalGang®

### Mission Statement:

The CalGang® Executive Board (CEB) and the California Gang Node Advisory Committee (CGNAC) oversee the operations of the CalGang® System, and participating law enforcement agencies' access, in an effort to provide an accurate, timely, and electronically generated database of statewide gang related intelligence information.

### What is CalGang®

The CalGang® system is a State of California funded, Local Law Enforcement maintained and controlled Criminal Intelligence System that targets specifically Members and Criminal Associates of Criminal Street Gangs. The CalGang® system operates pursuant to the United States Code of Federal Regulations, title 28, section 23 (28CFR23), ad seq. as a Criminal Intelligence System. <http://www.iir.com/Publications/28CFR23.htm>

Calgang® is a, wide area, low cost, easy to use, securely networked, relational, intelligence database, targeting specifically members of criminal street gangs, tracking their descriptions, tattoos, criminal associates, locations, vehicles, fi's, criminal histories and activities.

CalGang® has been in operation for over ten years, collecting Criminal Intelligence Information from Local, State, Federal and Tribal Law Enforcement Agencies in California.

### Who is Responsible for CalGang®

The CalGang® system is controlled by two oversight committees, the California Gang Node Advisory Committee deals with the day to day operations of the system, the CalGang Executive Board deals with the administrative, policy and sustainability issues. Members of both committees are from the Local and State stake holder agencies that operate the CalGang® system. Additionally, the CalGang® Executive Board includes non-voting members representing the California State Sheriffs Association, the California Police Chiefs Association, the California District Attorney's Association
