

MA-Master-At-Arms

The MA rating provides Navy Ships and commands with force protection/antiterrorism specialists who assist in maintaining good order and discipline, law enforcement, and physical security duties. MA's enforce appropriate orders and regulations, make apprehensions, conduct investigations/interrogations and prepare required records and reports. Due to the unique functions and trust inherent in the MA rating, the quality of personnel selected is of paramount importance and requires strict adherence to eligibility criteria. For more detailed information, see the [Rating Information Card](#).
