## **INDIVIDUAL INCOME TAX CREDIT FOR DONATIONS TO PRIVATE SCHOOL TUITION ORGANIZATIONS: REPORTING FOR 2007**

Arizona's individual income tax credit for contributions to school tuition organizations, referred to as the private school tax credit, is governed by A.R.S. §43-1089. School tuition organizations (STOs) must report the following information to the Arizona Department of Revenue by February 28:

1. The name, address and contact name of the STO.
2. The number of contributions received in the previous calendar year.
3. The dollar amount of contributions received in the previous calendar year.
4. The number of children<sup>1</sup> awarded scholarships or grants during the previous calendar year.
5. The dollar amount of scholarships and grants awarded during the previous calendar year.
6. The name and address of each qualified school<sup>2</sup> receiving the scholarships or grant money, along with the number and dollar amount of scholarships or grants provided to each school.

The Arizona Department of Revenue is aware of 55 STOs operating in Arizona in 2007, down from 56 in 2006. (One new STO formed in 2007, School Choice Arizona, and two STOs disbanded, Bret Reed Freesmeyer Memorial Scholarship Fund and Patagonia Scholarship Fund.) The number and amount of donations are set out in the following table. For calendar year 2007, \$54.3 million has been reported by 55 STOs, a 6.5% increase over the donations reported for 2006.

Arizona Christian School Tuition Organization is the largest school tuition organization in terms of number and amount of donations received. Arizona Christian School Tuition Organization reported \$11.4 million in donations, 21.0% of the total. The Catholic Tuition Organization of the Diocese of Phoenix reported \$10.7 million in donations, 19.6% of the total reported. These two organizations received more than 40% of the total donations. To review the donations reported by each STO, see Appendix I at the end of this report.

<sup>1</sup> The Department of Revenue has determined that "children" as identified in this statute would generally be 18 years or younger.

<sup>2</sup> Qualified school is defined in statute as a "nongovernmental primary school or secondary school or a preschool for handicapped students that is located in this state, that does not discriminate on the basis of race, color, handicap, familial status or national origin ..." The Department of Revenue has further clarified this by saying that these primary and secondary schools must educate children in a course of study that leads to promotion to the next class or to graduation.

STOs reported 27,153 scholarships paid for \$48.6 million in 2007, an average of \$1,788 per scholarship<sup>7</sup>. This is a 19.7% increase in total scholarships reported over calendar year 2006 and an 8.8% increase in the average scholarship. The following table shows the history of scholarships and grants paid out by STOs, based on information reported to the Department of Revenue. The range of average scholarship amounts paid by the individual STOs is from \$333 (Carden Schools Scholarship Fund) to \$8,503 (Maricopa County Schoolhouse Foundation). To review the scholarships paid by each STO, see Appendix II at the end of this report.

<sup>6</sup> Activity in 1998 was artificially low due to a court case challenging the constitutionality of the credit based on separation of church and state. The credit was determined to be constitutional.

<sup>7</sup> This does not mean that 27,153 students received scholarships. One student may have received scholarships from more than one STO.

<sup>8</sup> Activity in 1998 was artificially low due to a court case. See Footnote 6.

Average scholarship ranges and the number of STOs with scholarships falling in each range is shown in the following frequency distribution.

<b>Avg. Scholarship Range</b>	<b># of STOs</b>	<b>Avg. Scholarship Range</b>	<b># of STOs</b>
\$1 - \$500	1	\$2,501 - \$3,000	7

Of the 55 STOs that actually paid scholarships in 2007 (one newly formed STO, School Choice Arizona, paid no scholarships), 37 increased their average scholarship amount from the prior year. Four STOs paid scholarships for the first time, so their average scholarship amount neither increased nor decreased.

STOs provided scholarships and grants to 359 private schools throughout Arizona. There were 35 private schools that received scholarship money in 2006 year that did not receive any scholarship money in 2007.

Arizona Scholarship Fund provided scholarships and grants to 133 schools, more schools than any other STO. Appendix III, at the end of this report, lists the number of schools to which each STO provided scholarships and how many more or less schools received scholarships from the STO in the prior year. For example, Arizona Adventist Scholarships provided scholarships to 16 schools in 2007, which is the same as last year. That information is aggregated in the following table.

<b># of private schools</b>	<b># of organizations giving to this number of private schools</b>

As shown above, two STOs gave scholarships to only one private school. Those two STOs are Life Development Institute Education Fund and Maricopa County Schoolhouse Foundation. Not mentioned in the table above is one STO that did

not pay any scholarships in 2007. School Choice Arizona is a new STO that will be making its first scholarship awards in 2008.

One private school, Northwest Christian School, received scholarship/grant money from twelve different STOs. Two private schools, Desert Christian Unified Schools and Phoenix Christian Unified Schools, received scholarship/grant money from ten different STOs. The following table shows the number of STOs contributing scholarship/grant money to the private schools.

<b>This many private schools received scholarships or grants from</b>	<b>This many STOs</b>

In other words, 158 private schools received scholarship/grant money from only one STO. There were 68 private schools that received scholarship/grant money from two STOs.

The *smallest* average scholarship paid by an STO to one private school was \$4.50 paid by the School Tuition Association of Yuma to Chandler Christian School. The *highest* average scholarship paid by an STO to one private school was \$12,906 paid by New Valley Education Partners to New Way Learning Academy.

The most scholarship/grant money received by one private school from all STOs was \$1,526,024 for 993 scholarships (\$1,537 average) to Northwest Christian School in Phoenix. Appendix IV lists the 359 private schools that received scholarship/grant money, the number of scholarships, the amount and the average scholarship. This table also shows the percent change in amount of scholarship money received and the percent change in the average scholarship paid if the school also received scholarship money in 2006.

The following table presents the distribution of average scholarships. For example, the average scholarship received by seven private schools was

between \$1 and \$250. The average scholarship received by 15 private schools was between \$251 and \$500.

<b>Avg. Scholarship Range</b>	<b># of Private Schools with Avg. Scholarships in this Range</b>	<b>Avg. Scholarship Range</b>	<b># of Private Schools with Avg. Scholarships in this Range</b>

\$2,001 - \$2,500	48	> \$10,001	1

In terms of where the scholarship/grant money went within Arizona, the most money went to schools within the city of Phoenix. Slightly more than 31% of the scholarships went to 77 private schools in Phoenix and about 35% of the money. As would be expected, 62% of all scholarships granted went to schools in Maricopa County and 66% of the money, nearly the same percentages as in 2006. The following table shows the number of scholarships the amount of scholarships and the average scholarship paid out by county.

Appendix V shows the cities within which the scholarship/grant money was received, the average scholarship and the percent change from 2006. It also shows the rank for 2007 and for 2006, which indicates the city or town with the highest average scholarship (Paradise Valley #1 with an average scholarship of \$5,197) to the lowest average scholarship (Bylas #62 with an average scholarship of \$191).
