**NOTICE: Emails to Newport Beach Council Members may be considered a public record.**

**Salary & Budget Information**  
 The City Council and City Manager have been approached by community members with questions and concerns related to the public employee compensation issues, particularly in the City of Bell, that have been the subject of numerous news reports. Dave Kiff has written a [letter](#) to the community to explain why that is not the situation in Newport Beach and how citizens can access and confirm the City's [salary and budget information](#).
