Criminal Justice Section Standards

## Mental Health

### MENTAL HEALTH

In August 1984, the ABA approved a set of 96 "black letter" standards on mental health. Additional "black letter" standards were approved in August 1987 and August 1988. All are included with accompanying commentary in a publication entitled *ABA Criminal Justice Mental Health Standards*, 1986, 1989, American Bar Association.

- For the text of the publication, [click HERE](#) .
- To go directly to **individual "black letter" standards** (without commentary), click on the links below.
- For **subsequent revisions, related ABA resolutions or Standards**, [click HERE](#).
- For information about **purchasing** the printed volume, please [click HERE](#) .

#### PART I. MENTAL HEALTH, MENTAL RETARDATION, AND CRIMINAL JUSTICE: GENERAL PROFESSIONAL OBLIGATIONS

[Standard 7-1.1](#) Roles of mental health and mental retardation professionals in the criminal process

[Standard 7-1.2](#) Joint professional obligations for improving the administration of justice in criminal cases involving mental health or mental retardation issues
