## III The Cases: DNA Exonerated Profiles

Share This: [f](#) [t](#) [in](#) [g+](#)

Browse profiles of the more than 300 post-conviction DNA exonerations, Innocence Project clients who have been exonerated by other means and some of the cases that we are actively working on by choosing the appropriate category below.

Browse by status:

### Exonerated

by DNA

To date there have been 334 people exonerated by DNA evidence in the United States.

### Exonerated

by DNA and Other

Means

Profiles of our clients who were ultimately exonerated by means other than solely through DNA testing.

### Active

Cases

Profiles of a few of the more than 300 cases currently on our docket.
