MOLLY C. DWYER, CLERK
U.S. COURT OF APPEALS

***Baxter v. Commissioner of Social Security Administration*, Case No. 07-35626
Rawlinson, Circuit Judge, concurring:**

I concur in the result remanding this case because, and only because, the Administrative Law Judge gave *no* weight to the medical source statement prepared by the claimant's treating physician. *See Holohan v. Massanari*, 246 F.3d 1195, 1202 (9th Cir. 2001) (holding that generally the "treating physician's medical opinion . . . must be weighted") (citations omitted).
