application of Amendment 706 to the Sentence Guidelines provisions governing crack cocaine. We have jurisdiction pursuant to 28 U.S.C. § 1291, and we affirm.

Jefferson contends that the district court erred by denying his motion for a sentence reduction under Amendment 706 because his sentence was based, in part, on a sentencing range calculated under the Drug Quantity Table in U.S.S.G. § 2D1.1. This contention fails because Jefferson qualified as a career offender under U.S.S.G. § 4B1.1. Because the district court sentenced Jefferson based on a sentencing range calculated under § 4B1.1, he is not eligible for a sentence reduction under Amendment 706. *See United States v. Wesson*, 583 F.3d 728, 731 (9th Cir. 2009).
