Appeal from the United States District Court

Submitted April 8, 2010\*\*

\*\* The panel unanimously concludes this case is suitable for decision without oral argument. *See* Fed. R. App. P. 34(a)(2).

Before: PREGERSON and THOMPSON, Circuit Judges, and CONLON, District Judge.\*\*\*

The plaintiffs appeal the district court's dismissal of their third amended complaint with prejudice and without leave to amend. The plaintiffs also appeal the court's order denying reconsideration of that dismissal as well as several procedural decisions. We have jurisdiction under 28 U.S.C. § 1291.

We affirm the dismissal of this action and the denial of reconsideration for the reasons stated by the district court. The plaintiffs' contentions regarding judicial reassignment, recusal, and briefing deadlines lack merit.

**AFFIRMED.**

\*\*\* The Honorable Suzanne B. Conlon, United States District Judge for the Northern District of Illinois, sitting by designation.
