MEMORANDUM\*

On Petition for Review of an Order of the  
Board of Immigration Appeals

Submitted December 14, 2010\*\*

Before: GOODWIN, WALLACE, and W. FLETCHER, Circuit Judges.

Gonzalo Javier Martinez Serrano and Lourdes Melo Corcuera, natives and citizens of Mexico, petition pro se for review of the Board of Immigration Appeals' ("BIA") order denying their motion to reopen and reconsider removal

---

\* This disposition is not appropriate for publication and is not precedent except as provided by 9th Cir. R. 36-3.

\*\* The panel unanimously concludes this case is suitable for decision without oral argument. See Fed. R. App. P. 34(a)(2).

proceedings based on ineffective assistance of counsel. We have jurisdiction under 8 U.S.C. § 1252. We review for abuse of discretion the denial of a motion to reconsider or reopen. *Mohammed v. Gonzales*, 400 F.3d 785, 791 (9th Cir. 2005). We deny the petition for review.

The BIA did not abuse its discretion in denying petitioners' motion to reopen because the motion was filed more than six months after the BIA's June 26, 2007, order, *see* 8 C.F.R. § 1003.2(c)(2) (motion to reopen must generally be filed within 90 days of the final order), and petitioners failed to establish that they acted with the due diligence required for equitable tolling, *see Iturribarria v. INS*, 321 F.3d 889, 897 (9th Cir. 2003) (deadline can be equitably tolled "when a petitioner is prevented from filing because of deception, fraud, or error, as long as the petitioner acts with due diligence").

The BIA acted within its discretion in denying petitioners' motion to reconsider because the motion failed to identify any error of fact or law in the BIA's prior decision. *See* 8 C.F.R. § 1003.2(b)(1); *Socop-Gonzalez v. INS*, 272 F.3d 1176, 1180 n. 2 (9th Cir. 2001) (en banc).

Petitioners' contentions that the BIA applied the wrong legal standard and failed to adequately articulate its reasons for denial are not supported by the record.

**PETITION FOR REVIEW DENIED.**
