MEMORANDUM*

Appeal from the United States District Court
for the Central District of California
Josephine Staton Tucker, District Judge, Presiding

* This disposition is not appropriate for publication and is not precedent
except as provided by 9th Cir. R. 36-3.

Submitted November 5, 2012**
Pasadena, California

Before: D.W. NELSON and O'SCANNLAIN, Circuit Judges, and GONZALEZ,
District Judge.***

J2F Productions, Inc., contends that the district court abused its discretion in refusing to award it attorneys fees as sanctions pursuant to 28 U.S.C. § 1927 or the court's inherent powers. We disagree. The district court found that Sarrow's attorneys acted neither recklessly nor in bad faith. The record does not support a conclusion that this was clear error. *See Cline v. Indus. Maint. Eng'g & Contracting Co.*, 200 F.3d 1223, 1236 (9th Cir. 2000).

AFFIRMED.

** The panel unanimously concludes this case is suitable for decision without oral argument. *See Fed. R. App. P. 34(a)(2)*.

*** The Honorable Irma E. Gonzalez, District Judge for the U.S. District Court for Southern California, sitting by designation.
