FOR THE NINTH CIRCUIT

APR 23 2013

MOLLY C. DWYER, CLERK U.S. COURT OF APPEALS

ANTOINE L. HENDERSON,

Plaintiff - Appellant,

v.

K. PURCELL; et al.,

Defendants - Appellees.

No. 11-17567

D.C. No. 2:09-cv-02779-LKK-DAD

MEMORANDUM*

Appeal from the United States District Court for the Eastern District of California Lawrence K. Karlton, District Judge, Presiding

Submitted April 16, 2013**

Before: CANBY, IKUTA, and WATFORD, Circuit Judges.

California state prisoner Antoine L. Henderson appeals pro se from the district court's summary judgment in his 42 U.S.C. § 1983 action alleging deliberate indifference to his serious medical needs. We have jurisdiction under 28

^{*} This disposition is not appropriate for publication and is not precedent except as provided by 9th Cir. R. 36-3.

^{**} The panel unanimously concludes this case is suitable for decision without oral argument. *See* Fed. R. App. P. 34(a)(2).

U.S.C. § 1291. We review de novo, *Toguchi v. Chung*, 391 F.3d 1051, 1056 (9th Cir. 2004), and we affirm.

The district court properly granted summary judgment because Henderson failed to raise a genuine dispute of material fact as to whether defendants failed to diagnose and respond adequately to his back and groin pain. *See id.* at 1058 (prison officials act with deliberate indifference only if they know of and disregard an excessive risk to inmate health); *Jackson v. McIntosh*, 90 F.3d 330, 332 (9th Cir. 1996) (to establish that a difference of opinion amounted to deliberate indifference, a prisoner must show that the defendants' chosen course of treatment was medically unacceptable and in conscious disregard of an excessive risk to the prisoner's health); *Roberts v. Spalding*, 783 F.2d 867, 870 (9th Cir. 1986) (a prisoner has no constitutional right to outside medical care to supplement the medical care provided by the prison).

AFFIRMED.
