In light of the Supreme Court's decision in Dart Cherokee Basin Operating Co. v. Owens, No. 13-719, 2014 WL 7010692 (U.S. Dec. 15, 2014), we vacate the decision of the district court and remand for further proceedings. On remand, if Townsend challenges jurisdiction, Brinderson shall have the opportunity to provide evidence demonstrating that the case meets the requirements of 28 U.S.C.

§ 1332(d)(2). See Dart Cherokee, at *5.

We express no view as to the district court's determination that it lacked federal question jurisdiction over this case.

VACATED AND REMANDED. Costs to Appellant.

** The panel unanimously concludes this case is suitable for decision without oral argument. See Fed. R. App. P. 34(a)(2).
