denial of a continuance. *Sandoval-Luna v. Mukasey*, 526 F.3d 1243, 1246 (9th Cir. 2008). We deny the petition for review.

The agency did not abuse its discretion in denying Ramos-Alejo's request for a further continuance for failure to demonstrate good cause, where Ramos-Alejo conceded removability, was ineligible for the relief sought, and did not sufficiently show how a continuance could have affected the outcome of his case. *See* 8 C.F.R. § 1003.29 ("The Immigration Judge may grant a motion for continuance for good cause shown."); *Sandoval-Luna*, 526 F.3d at 1247 (the denial of a continuance was within the agency's discretion where relief was not immediately available to petitioner).

**PETITION FOR REVIEW DENIED.**
