MOLLY C. DWYER, CLERK
U.S. COURT OF APPEALS

**JUDICIAL COUNCIL
OF THE NINTH CIRCUIT**

**IN RE COMPLAINT OF
JUDICIAL MISCONDUCT**

No. 18-90100

ORDER

THOMAS, Chief Judge:

Complainant, a litigant in a civil case, has filed a complaint of judicial misconduct against a district judge. Review of this complaint is governed by the Rules for Judicial Conduct and Judicial-Disability Proceedings (“Judicial-Conduct Rules”), the federal statutes addressing judicial conduct and disability, 28 U.S.C. § 351 et seq., and relevant prior decisions of the Ninth Circuit Judicial Council. In accordance with these authorities, the names of complainant and the subject judge shall not be disclosed in this order. See Judicial-Conduct Rule 11(g)(2).

The Judicial Conduct and Disability Act provides a remedy if a federal judge “has engaged in conduct prejudicial to the effective and expeditious administration of the business of the courts.” 28 U.S.C. § 351(a). A chief judge may dismiss a complaint if, following review, he or she finds it is not cognizable under the statute, is directly related to the merits of a decision or procedural ruling, or is frivolous or lacks sufficient evidence to raise an inference of misconduct.

See 28 U.S.C. §§ 352(b)(1)(A)(i)-(iii). Judicial misconduct proceedings are not a substitute for the normal appellate review process, and may not be used to seek reversal of a judge's decision, to obtain a new trial, or to request reassignment to a different judge.

Complainant alleges that the judge improperly granted the opposing party's motion to dismiss, improperly denied complainant's motions for relief from judgment, considered improper evidence, and made various other incorrect rulings in the underlying case. These allegations relate directly to the merits of the judge's rulings and must be dismissed. See 28 U.S.C. § 352(b)(1)(A)(ii); In re Charge of Judicial Misconduct, 685 F.2d 1226, 1227 (9th Cir. Jud. Council 1982); Judicial-Conduct Rule 11(c)(1)(B).

Complainant's request that the Judicial Council grant a "bifurcated declaratory judgment" is denied because this type of relief is not available in judicial misconduct proceedings. See 28 U.S.C. § 354(a)(2); In re Complaint of Judicial Misconduct, 726 F.3d 1134 (9th Cir. Jud. Council 2013) ("The Judicial Council is not a court and has no authority to interfere with judicial proceedings"); Judicial-Conduct Rule 11(a).

To the extent complainant alleges that the opposing party falsified evidence or committed other misdeeds, these allegations are dismissed because this

misconduct procedure applies only to federal judges. See In re Complaint of Judicial Misconduct, 632 F.3d 1287, 1288 (9th Cir. Jud. Council 2011); Judicial-Conduct Rule 4.

DISMISSED.
