2024 NINTH CIRCUIT CIVICS CONTEST

Essay and Video Contest Prompt

70 Years Later—

The Legacy of **Brown v. Board of Education**

2024 marks the 70th anniversary of the United States Supreme Court's 1954 landmark decision in Brown v. Board of Education. In Brown, a unanimous Supreme Court held that racial segregation in public schools is unconstitutional. The Supreme Court struck down the "separate but equal" doctrine that it had adopted in Plessy v. Ferguson, an 1896 case that addressed whether states could legally require railroad companies to provide equal but separate accommodations for passengers of different races.

Brown v. Board of Education is widely accepted as one of the most momentous Supreme Court decisions, but views differ regarding what impact it has had on the law and our society.

In addressing this topic, discuss what impact you think Brown has had and why. The following are some examples of questions that you could consider in thinking about these issues:

- Did Brown influence changes in the law, or in society, beyond the decision in that case, or were any changes that happened after Brown inevitable?
- Did Brown affect the way that Americans view the Supreme Court, or affect how Supreme Court conducts itself?
- Should the Supreme Court consider how its decision on a particular subject impacts society, or how the decision is viewed by the public?

The 2024 Ninth Circuit Civics Contest is open to high school students in nine western states and two Pacific island jurisdictions. Students from public, private, parochial and charter schools as well as homeschooled students of equivalent grade status may enter.

The United States District Court for the Northern District of California and the Northern California Chapter of the Federal Bar Association will conduct preliminary judging for the district-level competition. Finalists in both the essay and the video competitions at the district level will each receive prizes of \$2,000 for 1st place, \$1,500 for 2nd place and \$1,000 for 3rd place and advance to compete in the circuit-wide contest. To be eligible to compete in the local contest, students must reside in one of these counties: Alameda, Contra Costa, Del Norte, Humboldt, Lake, Marin, Mendocino, Monterey, Napa, San Benito, San Francisco, San Mateo, Santa Clara, Santa Cruz, or Sonoma.
