JUDICIAL COUNCIL

JUL 20 2018

OF THE NINTH CIRCUIT

MOLLY C. DWYER, CLERK U.S. COURT OF APPEALS

IN RE COMPLAINT OF

No. 18-90069

JUDICIAL MISCONDUCT

ORDER

THOMAS, Chief Judge:

Complainants, litigants in a civil case, have filed a complaint of judicial misconduct against a district judge of this circuit. Review of this complaint is governed by the Rules for Judicial Conduct and Judicial-Disability Proceedings ("Judicial-Conduct Rules"), the federal statutes addressing judicial conduct and disability, 28 U.S.C. § 351 et seq., and relevant prior decisions of the Ninth Circuit Judicial Council. In accordance with these authorities, the names of complainants and the subject judge shall not be disclosed in this order. See Judicial-Conduct Rule 11(g)(2).

The Judicial Conduct and Disability Act provides a remedy if a federal judge "has engaged in conduct prejudicial to the effective and expeditious administration of the business of the courts." 28 U.S.C. § 351(a). A chief judge may dismiss a complaint if, following review, he or she finds it is not cognizable under the statute, is directly related to the merits of a decision or procedural ruling,

or is frivolous or lacks sufficient evidence to raise an inference of misconduct.

See 28 U.S.C. §§ 352(b)(1)(A)(i)-(iii). Judicial misconduct proceedings are not a substitute for the normal appellate review process, and may not be used to seek reversal of a judge's decision, to obtain a new trial, or to request reassignment to a different judge.

Complainants allege that the judge improperly denied hearings, allowed an attorney to withdraw as counsel, dismissed the underlying action, and made various other improper rulings. These allegations relate directly to the merits of the judge's rulings and must be dismissed. See 28 U.S.C. § 352(b)(1)(A)(ii); In re Charge of Judicial Misconduct, 685 F.2d 1226, 1227 (9th Cir. Jud. Council 1982); Judicial-Conduct Rule 11(c)(1)(B).

To the extent complainants allege that the judge was biased or committed fraud, adverse rulings are not proof of bias or other misconduct, and complainant provides no objectively verifiable evidence to support these allegations, which are dismissed as unfounded. See 28 U.S.C. § 352(b)(1)(A)(iii); In re Complaint of Judicial Misconduct, 715 F.3d 747, 749 (9th Cir. Jud. Council 2013) ("As we have frequently held, adverse rulings, standing alone, are not proof of misconduct"); In re Complaint of Judicial Misconduct, 650 F.3d 1370, 1371 (9th Cir. Jud. Council

2011) ("adverse rulings do not prove bias or conspiracy"); Judicial-Conduct Rule 11(c)(1)(D).

DISMISSED.
