| **IN RE COMPLAINT OF** | No. 19-90105 |
| **JUDICIAL MISCONDUCT** | **ORDER** |

**THOMAS**, Chief Judge:

Complainant, a pro se prisoner, has filed a complaint of judicial misconduct against a magistrate judge. Review of this complaint is governed by the Rules for Judicial Conduct and Judicial-Disability Proceedings ("Judicial-Conduct Rules"), the federal statutes addressing judicial conduct and disability, 28 U.S.C. § 351 et seq., and relevant prior decisions of the Ninth Circuit Judicial Council. In accordance with these authorities, the names of complainant and the subject judge shall not be disclosed in this order. See Judicial-Conduct Rule 11(g)(2).

The Judicial Conduct and Disability Act provides a remedy if a federal judge "has engaged in conduct prejudicial to the effective and expeditious administration of the business of the courts." 28 U.S.C. § 351(a). A chief judge may dismiss a complaint if, following review, he or she finds it is not cognizable under the statute, is directly related to the merits of a decision or procedural ruling, or is frivolous or lacks sufficient evidence to raise an inference of misconduct.

See 28 U.S.C. § 352(b)(1)(A)(i)-(iii). Judicial misconduct proceedings are not a substitute for the normal appellate review process, and may not be used to seek reversal of a judge's decision, to obtain a new trial, or to request reassignment to a different judge.

Complainant alleges that the judge improperly granted in forma pauperis status and made various other incorrect rulings in the underlying habeas proceedings. These allegations relate directly to the merits of the judge's rulings and must be dismissed. See 28 U.S.C. § 352(b)(1)(A)(ii); In re Charge of Judicial Misconduct, 685 F.2d 1226, 1227 (9th Cir. Jud. Council 1982); Judicial-Conduct Rule 11(c)(1)(B).

Complainant also accuses the judge of "discrimination" and "malice intent." However, adverse rulings are not proof of bias or other misconduct, and complainant provides no objectively verifiable evidence to support these allegations, which are dismissed as unfounded. See 28 U.S.C. § 352(b)(1)(A)(iii); In re Complaint of Judicial Misconduct, 900 F.3d 1163, 1166 (9th Cir. Jud. Council 2018) ("adverse rulings are not proof of misconduct"); In re Complaint of Judicial Misconduct, 650 F.3d 1370, 1371 (9th Cir. Jud. Council 2011) ("adverse rulings do not prove bias or conspiracy"); Judicial-Conduct Rule 11(c)(1)(D).

Finally, complainant alleges that the judge has improperly delayed ruling in the underlying case. However, complainant offers no evidence that the alleged delay is based on improper motive, or that the judge has habitually delayed ruling in a significant number of unrelated cases, and accordingly this charge must be dismissed. See Judicial-Conduct Rule 4(b)(2); In re Complaint of Judicial Misconduct, 584 F.3d 1230, 1231 (9th Cir. Jud. Council 2009).

**DISMISSED.**
