

SEP 23 2019

MOLLY C. DWYER, CLERK
U.S. COURT OF APPEALS**JUDICIAL COUNCIL
OF THE NINTH CIRCUIT****IN RE COMPLAINT OF
JUDICIAL MISCONDUCT**

Nos. 19-90110 and 19-90111

ORDER**THOMAS**, Chief Judge:

Complainant, a pro se prisoner, has filed a complaint of judicial misconduct against a district judge and a magistrate judge. Review of this complaint is governed by the Rules for Judicial Conduct and Judicial-Disability Proceedings (“Judicial-Conduct Rules”), the federal statutes addressing judicial conduct and disability, 28 U.S.C. § 351 *et seq.*, and relevant prior decisions of the Ninth Circuit Judicial Council. In accordance with these authorities, the names of complainant and the subject judges shall not be disclosed in this order. See Judicial-Conduct Rule 11(g)(2).

The Judicial Conduct and Disability Act provides a remedy if a federal judge “has engaged in conduct prejudicial to the effective and expeditious administration of the business of the courts.” 28 U.S.C. § 351(a). A chief judge may dismiss a complaint if, following review, he or she finds it is not cognizable under the statute, is directly related to the merits of a decision or procedural ruling, or is frivolous or lacks sufficient evidence to raise an inference of misconduct. See 28

U.S.C. § 352(b)(1)(A)(i)-(iii). Judicial misconduct proceedings are not a substitute for the normal appellate review process, and may not be used to seek reversal of a judge's decision, to obtain a new trial, or to request reassignment to a different judge.

Although complainant's allegations are difficult to discern, to the extent that he alleges that the judges made improper rulings in his underlying cases, these allegations relate directly to the merits of the judges' rulings and must be dismissed. See 28 U.S.C. § 352(b)(1)(A)(ii); In re Charge of Judicial Misconduct, 685 F.2d 1226, 1227 (9th Cir. Jud. Council 1982); Judicial-Conduct Rule 11(c)(1)(B).

Complainant also alleges that the district judge has a "conflicting relationship" with an attorney who is a member of a law firm that was named as a defendant in one of complainant's cases. However, complainant provides no objectively verifiable evidence to support this allegation, which is dismissed as unfounded. See 28 U.S.C. § 352(b)(1)(A)(iii); In re Complaint of Judicial Misconduct, 569 F.3d 1093 (9th Cir. Jud. Council 2009) ("complainant's vague insinuations do not provide the kind of objectively verifiable proof that we require"); Judicial-Conduct Rule 11(c)(1)(D).

DISMISSED.
