

**FILED**

JAN 24 2020

MOLLY C. DWYER, CLERK  
U.S. COURT OF APPEALS

**JUDICIAL COUNCIL  
OF THE NINTH CIRCUIT**

**IN RE COMPLAINT OF  
JUDICIAL MISCONDUCT**

No. 19-90154

**ORDER**

**THOMAS**, Chief Judge:

Complainant, a pro se litigant, has filed a complaint of judicial misconduct against a district judge. Review of this complaint is governed by the Rules for Judicial Conduct and Judicial-Disability Proceedings (“Judicial-Conduct Rules”), the federal statutes addressing judicial conduct and disability, 28 U.S.C. § 351 et seq., and relevant prior decisions of the Ninth Circuit Judicial Council. In accordance with these authorities, the names of complainant and the subject judge shall not be disclosed in this order. See Judicial-Conduct Rule 11(g)(2).

The Judicial Conduct and Disability Act provides a remedy if a federal judge “has engaged in conduct prejudicial to the effective and expeditious administration of the business of the courts.” 28 U.S.C. § 351(a). A chief judge may dismiss a complaint if, following review, he or she finds it is not cognizable under the statute, is directly related to the merits of a decision or procedural ruling, or is frivolous or lacks sufficient evidence to raise an inference of misconduct.

See 28 U.S.C. § 352(b)(1)(A)(i)-(iii). Judicial misconduct proceedings are not a substitute for the normal appellate review process, and may not be used to seek reversal of a judge's decision, to obtain a new trial, or to request reassignment to a different judge.

First, complainant alleges that the judge improperly dismissed his underlying civil complaint, denied a motion for reconsideration, and made various other incorrect rulings in the underlying case. These allegations relate directly to the merits of the judge's rulings and must be dismissed. See 28 U.S.C. § 352(b)(1)(A)(ii); In re Charge of Judicial Misconduct, 685 F.2d 1226, 1227 (9th Cir. Jud. Council 1982); Judicial-Conduct Rule 11(c)(1)(B).

Complainant also alleges that the judge had an improper ex parte communication with the government, backdated a court order to conceal that communication, accepted bribes, and has improperly retaliated against complainant. Complainant offers no objectively verifiable proof in support of these speculative allegations, which are dismissed as unfounded. See 28 U.S.C. § 352(b)(1)(A)(iii); In re Complaint of Judicial Misconduct, 583 F.3d 598 (9th Cir. Jud. Council 2009); In re Complaint of Judicial Misconduct, 569 F.3d 1093 (9th Cir. Jud. Council 2009) (“claimant’s vague insinuations do not provide the kind of objectively verifiable proof that we require”); Judicial-Conduct Rule 11(c)(1)(D).

Finally, complainant alleges that the judge may suffer from a disability based on his allegedly improper rulings in the underlying case and because the judge was reversed on appeal in an unrelated case. However, neither adverse rulings nor reversals on appeal are proof of misconduct or disability, and complainant provides no objectively verifiable evidence to support these allegations, which are dismissed as unfounded. See 28 U.S.C. § 352(b)(1)(A)(iii); In re Complaint of Judicial Misconduct, 758 F.3d 1161 (9th Cir. 2014); In re Complaint of Judicial Misconduct, 715 F.3d 747, 749 (9th Cir. Jud. Council 2013); In re Complaint of Judicial Misconduct, 650 F.3d 1370, 1371 (9th Cir. Jud. Council 2011); Judicial-Conduct Rule 11(c)(1)(D).

To the extent complainant raises allegations against court staff, these allegations are dismissed because this misconduct complaint procedure applies only to federal judges. See Judicial-Conduct Rule 1(b).

**DISMISSED.**
