MOLLY C. DWYER, CLERK
U.S. COURT OF APPEALS

**JUDICIAL COUNCIL
OF THE NINTH CIRCUIT**

**IN RE COMPLAINT OF
JUDICIAL MISCONDUCT**

No. 20-90008

ORDER

THOMAS, Chief Judge:

Complainant, a pro se litigant, has filed a complaint of judicial misconduct against a district judge. Review of this complaint is governed by the Rules for Judicial Conduct and Judicial-Disability Proceedings (“Judicial-Conduct Rules”), the federal statutes addressing judicial conduct and disability, 28 U.S.C. § 351 et seq., and relevant prior decisions of the Ninth Circuit Judicial Council. In accordance with these authorities, the names of complainant and the subject judge shall not be disclosed in this order. See Judicial-Conduct Rule 11(g)(2).

The Judicial Conduct and Disability Act provides a remedy if a federal judge “has engaged in conduct prejudicial to the effective and expeditious administration of the business of the courts.” 28 U.S.C. § 351(a). A chief judge may dismiss a complaint if, following review, he or she finds it is not cognizable under the statute, is directly related to the merits of a decision or procedural ruling, or is frivolous or lacks sufficient evidence to raise an inference of misconduct.

See 28 U.S.C. § 352(b)(1)(A)(I)-(iii). Judicial misconduct proceedings are not a substitute for the normal appellate review process, and may not be used to seek reversal of a judge's decision, to obtain a new trial, or to request reassignment to a different judge.

Complainant alleges that the judge mischaracterized the claims of her complaint, ignored evidence, failed to give notice of his intent to rule on pending motions to dismiss, and employed the wrong analysis for a motion to dismiss. These allegations relate directly to the merits of the judge's rulings and must be dismissed. See 28 U.S.C. § 352(b)(1)(A)(ii); In re Charge of Judicial Misconduct, 685 F.2d 1226, 1227 (9th Cir. Jud. Council 1982); Judicial-Conduct Rule 11(c)(1)(B).

Complainant also alleges that the judge was biased in favor of the defendants and should have recused himself. "Allegations that a judge erred in failing to recuse are merit-related and must be dismissed." In re Complaint of Judicial Misconduct, 756 F.3d 1143, 1144 (9th Cir. Jud. Council 2014). Adverse rulings are not proof of misconduct or bias, and complainant provides no objectively verifiable evidence to support these vague and conclusory allegations, which are dismissed as unfounded. See 28 U.S.C. § 352(b)(1)(A)(iii); In re

Complaint of Judicial Misconduct, 715 F.3d 747, 749 (9th Cir. Jud. Council 2013)

(“As we have frequently held, adverse rulings, standing alone, are not proof of misconduct”); Judicial-Conduct Rule 11(c)(1)(D).

DISMISSED.
