

**FILED**

June 22 2023

MOLLY C. DWYER, CLERK  
U.S. COURT OF APPEALS

**JUDICIAL COUNCIL  
OF THE NINTH CIRCUIT**

**IN RE COMPLAINT OF  
JUDICIAL MISCONDUCT**

No. 21-90118

**ORDER**

**MURGUIA**, Chief Judge:

Complainant, a pro se litigant, has filed a complaint of judicial misconduct against a district judge. Review of this complaint is governed by the Rules for Judicial Conduct and Judicial-Disability Proceedings (“Judicial-Conduct Rules”), the federal statutes addressing judicial conduct and disability, 28 U.S.C. § 351 et seq., and relevant prior decisions of the Ninth Circuit Judicial Council. In accordance with these authorities, the names of complainant and the subject judge shall not be disclosed in this order. See Judicial-Conduct Rule 11(g)(2).

The Judicial Conduct and Disability Act provides a remedy if a federal judge “has engaged in conduct prejudicial to the effective and expeditious administration of the business of the courts.” 28 U.S.C. § 351(a). A chief judge may dismiss a complaint if, following review, he or she finds it is not cognizable under the statute, is directly related to the merits of a decision or procedural ruling, or is

frivolous or lacks sufficient evidence to raise an inference of misconduct. See 28 U.S.C. § 352(b)(1)(A)(i)-(iii). Judicial misconduct proceedings are not a substitute for the normal appellate review process, and may not be used to seek reversal of a judge's decision, to obtain a new trial, or to request reassignment to a different judge.

This misconduct complaint arises out of a civil case related to illnesses caused by exposure to lead paint. Complainant alleges that the district judge improperly dismissed the case. However, a review of the docket reveals that the judge dismissed the case because complainant failed to comply with an order to serve the defendants with the summons and complaint. Moreover, this complaint is related to the merits of the case and must be dismissed on that ground. See 28 U.S.C. § 352(b)(1)(A)(ii) (listing reasons the chief judge may decide to dismiss the complaint, including claims directly related to the merits of a decision); In re Complaint of Judicial Misconduct, 838 F.3d 1030 (9th Cir. Jud. Council 2016) (dismissing allegations that a district judge made various improper rulings as merits-related); Judicial-Conduct Rule 11(c)(1)(B).

**DISMISSED.**
